5. Gold Membership – Additional Contribution to the Special Works Fund

The Special Works Fund relies on Gold Memberships to support recommended projects of the Policy and Special Issues Committee. Anticipated exposure for 2026-27 includes issues such as:

- Input to changes foreshadowed to various Government Policies, Regulations and Codes of Conduct that directly impact the operations and future viability of the industry;
- Government perception audit and communication strategy;
- Development of CMPA management guidelines for environmental dust and environmental respirable crystalline silica dust;
- Continued development of CMPA Training Manuals including a refresh of Work Safely;
- Explore greenhouse gas emissions in the construction material industry;
- Explore the relationship of Aboriginal Heritage to extractive industry applications.
